[HISTORY: Adopted by the Town Board of the Town of Washington as indicated in article histories. Amendments noted where applicable.]

ARTICLE I

Conduct on Public Beaches and Parks; Boating

[Adopted 6-19-1986 as Ch. 9, Subch. I of the 1986 Code]

- § 281-1. Definitions.

As used in this article, the following terms shall have the meanings indicated:

BEACH — That area of land from the water's edge up to the line of permanent vegetation and the water immediately adjacent to such land.

DESIGNATED — As designated by the Town of Washington by signs posted by the Town.

PARK — That area of land owned by the Town of Washington and posted as a Town Park, and if the park includes a beach, the beach, as defined above, is included in the word "park."

§ 281-2. Applicability.

This article shall apply to all beaches and parks owned and operated by the Town of Washington located within the corporate limits of the Town.

§ 281-3. Curfew.

No one shall remain on any beach or in any park between the hours of 11:00 p.m. and 7:00 a.m., except in an area of a beach or park that is designated by the Town by posting as authorized for overnight use.

§ 281-4. Traffic and parking.

- A. No one shall operate or park any motor vehicle, motorcycle or all-terrain vehicle on any beach. Foot traffic only is permitted on all beaches.
- B. No one shall operate or park any motor vehicle, motorcycle or all-terrain vehicle in any park except on roads, paths or parking areas designated for that purpose.
- C. No one shall park any type of motor vehicle, bicycle, motorcycle or all-terrain vehicle on the west side of the road at Gislason Beach.
- D. No one shall park any type of motor vehicle, motorcycle, bicycle or all-terrain vehicle at the Red Barn except on the Town property directly across from the beach.

§ 281-5. Fires.

No fire may be made, started or continued on any beach nor in any park except in grills or pits designated for such purpose. All fires allowed under this section shall be extinguished before leaving the beach or park.

§ 281-6. Animals.

- A. No dog shall be allowed on any beaches or in any park within the Town unless such dog is on a leash and under the control of its owner or some other person.
- B. No cat shall be allowed on any beaches or in any park within the Town unless such cat is under the control of its owner or such other person.
- C. No other animals, including but not limited to horses, cows, goats, sheep or swine, shall be allowed on any beach or in any parks within the Town at any time.

§ 281-7. Glass bottles.

No person may possess or use any glass beverage containers on any beach within the Town or in any park.

Keller, Inc.

Needs Assessment/Preliminary Design and Budgeting Proposal

IT IS AGREED that Keller, Inc. will provide the services authorized below for
**Town of Washington Island–New Fire Station, EMS, Police Department and
Highway Garage**

Phase I – Preliminary Design, Space Needs and Budgeting

Planning

- | | |
|------------------------------|---|
| <u>X</u> Initial Owner Mtg. | Review owner's needs, goals, and priorities. |
| <u>X</u> Existing Facilities | Evaluate owners existing facilities and assess potential sites. |
| <u>X</u> Budget | Evaluate owner's budget and financing. |
| <u>X</u> Project Meetings | Establish and set team meetings agendas and minutes. |
| <u>X</u> Engineering | Assist owner in structural/civil engineering consultant selection. (Engineering fees not part of this proposal) |
| <u>X</u> Timing | Develop projects critical timeline, develop calendar of events. |
| <u>X</u> Zoning | Complete municipal checklist, assist owner with zoning approvals and variances where required. |

Project Programming

- | | |
|-------------------------------|--|
| <u>X</u> Space Needs Analysis | Interview the appropriate personnel needed for developing the square footage requirement of the building. |
| <u>X</u> Property Survey | Assist the owner in obtaining a property survey if not available to verify existing property lines and topography. (Not included as part of this proposal) Keller will provide estimates. |
| <u>X</u> Sustainable Arch. | Encourage owners to conserve energy with building materials, equipment and systems. (Determine owner's interest). |
| <u>X</u> Site Analysis | Assess owner's site needs, existing conditions, traffic flow and soil bearing capacity. (Soil borings not incl. in proposal). Keller to solicit proposals for Geotechnical Engineer for approval by owner. |

Preliminary Design

- | | |
|---------------------------|---|
| <u>X</u> Plot Plan Design | Develop schematic site plan showing location of the building, parking lot and green space on the site. |
| <u>X</u> Floor Plans | Develop concept floor plans based on Space Needs Analysis and long range plans. |
| <u>X</u> Bldg. Elevations | Develop schematic elevations of building exterior indicating materials and preliminary construction type. |
| <u>X</u> Cost Estimate | Provide Project cost estimate from Needs Assessment and Concept plans. |

Needs Assessment/Preliminary Design and Budgeting Proposal Cont.

Phase I Fee

Keller, Inc. to complete Phase I portion of proposal for lump sum fee of \$1,500.00
A 50 % down payment of \$750.00 is due at proposal signing to initiate start of services.

Additional Services

ADDITIONAL SERVICES may be required or requested. Additional fees would be presented for these services:

- | | |
|-----------------------------|-----------------------------------|
| * Feasibility Study | * Landscape Plan |
| * Artist Rendering | * Wetlands Survey / DNR Approvals |
| * Traffic Study | * Advertising / Marketing |
| * Hazardous Material Survey | * Special Engineering |
| * Acoustical Engineering | * Communication Design |
| * Tax Free Exchange | * Owner Direct Purchase Program |
| * Financing / Ownership | * Geo-Tech Engineering |

STATE PLAN REVIEW

Needs Assessment/Preliminary Design and Budgeting Agreement

IT IS UNDERSTOOD that is the intent of the this Agreement to provide a Needs Assessment, Preliminary Design and Budgeting for a new Fire Station, EMS, Police Department and Highway Garage located at 1 Airport Road, Washington Island, WI. 54246

It is agreed therefore that the Owner grants to Keller, Inc. the exclusive right to prepare preliminary drawings and budgeting for the building.

The Budget that Keller, Inc. will provide is for a total cost of the project including all Architectural and Engineering fees, Construction Management fees, and site work costs. The budget will be valid only if Keller, Inc. is retained to provide final design documents and Construction Management services for the project. The plans cannot be taken and used elsewhere; they are copyright property of Keller, Inc. This Proposal is good for (30) days.

IN WITNESS WHEREOF, we have executed this agreement on this 29th day of May, 2014.

1535 Airport Road
Washington Island, WI 54246
Office: 920.847.2448 / Manager: Walt Nehlsen

____/____/____

Dear Pilot,

Recently you landed and tied down for an overnight stay. You neglected to deposit our overnight tie down fee. In order to defray the increasing expenses of maintaining the operation of the airport, the Town Board has established tie down fees for aircraft. The fees are as follows:

<u>-- Honor System--</u>	<u>Over Night</u>
Single Engine Aircraft	\$3.00
Multi Engine Aircraft	\$5.00

Please remit in the enclosed envelope \$_____ as soon as possible. We thank you for your overnight stay, and look forward to having you fly in again.

Date of stay: _____

Number of nights: _____

Sincerely,

Officer Tyler McGrane
Officer In Charge
Washington Island Police Department
